**Urging the State Legislature to Extend
the 2% Cap on Police and Fire Arbitration Contract Awards**

WHEREAS, local municipalities require specific tools to address the rising cost of municipal government; and

WHEREAS, the Governor and New Jersey State Legislature enacted a permanent 2% cap on municipal and school board tax levies; and

WHEREAS, salary costs are a large part of the driver in the increases of local property taxes, the Governor and the Legislature enacted a temporary 2% cap on police and fire arbitration contract awards in an effort to control increasing salary costs; and

WHEREAS, the 2% arbitration cap will sunset on April 1, 2014, at the time when taxpayers are still struggling to keep their homes and pay their taxes and municipalities are struggling to stay within the 2% cap while providing vital services to residents; and

WHEREAS, we recognize that this change in arbitration reform needs a longer time to mature in order to see the benefits of the legislation and its actual impact on the cost of local government budgets and the impact on taxpayers; and

WHEREAS, we recognize it is now time for our taxpayers to benefit directly from these cost saving measures as many police and fire contracts will come due for negotiation after the sunset date, and

WHEREAS, if the cap on interest arbitration expires while the 2% levy cap remains in effect, municipalities will be forced to reduce or eliminate municipal services so to fund interest arbitration awards;

NOW, THEREFORE, BE IT RESOLVED, that the Borough of Harrington Park, Bergen County, urges the State Legislature to extend the 2% cap on Police and Fire Arbitration Contract Awards for 5 more years at which time the Legislature will have hard data to examine and then make a final decision as to whether this law should be made permanent; and
